### Chamberlain's Cough Remedy.

No one who is acquainted with its good qualities can be surprised at the great popularity of Chamberlain's Cough Remedy. It not only cures colds and grip effectually and permanently, but prevents these diseases from resulting in pneumonia. It is also a certain cure for croup. Whooping cough is not dangerous when this remedy is given. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. It is also pleasant to take. When all of these facts are taken into consideration it is not surprising that people in foreign lands, as well as at home, esteem this remedy very highly and very few are willing to take any other after having once used it. For sale by A. R. Kane.

### SOLD HERE.

Large, heavy cards bearing these words: "No Hunting, Fishing or Trespassing Allowed on This Farm."

These cards can be found at the News office. Price 10 cents each.

### Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, when carried beneath the skin as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one-third the time required by the usual treatment. It is for sale by A. R. Kane.

### Locations in Kansas Wanted.

The Frisco System Land and Immigration Association is already turning its share of the Southwestern tide of immigration to Kansas. Three hundred and fifty agents of this association from the East and North have just completed a tour of Kansas and viewed its resources and interviewed its land owners and local association agents, for the sole purpose of better presenting Kansas opportunities to the homeseeker and investor in the older states.

This association is the most efficient of its kind in existence, and has agents everywhere in the United States. If you wish to sell your farm, town or other property, or if you desire capital for factories, mercantile establishments, or any of the industries, please address R. S. Lemon, Secretary Immigration Bureau, Dept. A, Frisco Building, St. Louis, Mo. S. A. HUGHES, General Immigration Agent.

### Better Than Pills.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by A. R. Kane.

### A CONTINUAL STRAIN.

Many men and women are constantly subject to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size 75c. At A. R. Kane's.

### HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with a babe in her arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boesche's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house, for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectoration easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. At A. R. Kane's.
